Shape Futures, Ignite Potential: Join Thrive Co-operative Learning Trust as a Trustee

As Chair of the Trustees at Thrive Co-operative Learning Trust, I am inviting you to consider an exciting opportunity to make a real difference in the lives of young people and their communities. We are seeking passionate and dedicated individuals to join our Board of Trustees and help guide our vital work.

Our schools reflect the unique needs of their localities, from areas of high deprivation and with high levels of diversity. We act as community hubs, supporting practical challenges such as food security and affordable school uniforms. This community-focused ethos and a commitment to excellence in teaching and leadership have established us as a trusted partner for parents and stakeholders. Thrive provides strong governance, a collaborative culture, and strategic leadership to ensure every pupil can achieve their potential.

This is a rewarding opportunity to contribute your skills and experience to a cause you care about.
